What arts and cultural activities have you and your family members attended, participated in, or supported in the past year?

Dance, Theatre, Music, Film/Media

Are there any specific arts and culture activities from your experience that you would like to highlight as noteworthy or exceptional?

I have been actively involved in the Rock Springs International Day Committee since 2017. The event celebrates our cultural diversity in Rock Springs and draws thousands of attendees every year.

Considering your own personal background and education, what arts or cultural classes, programs or activities did you participate in?

Instrumental Music, Theatre, Film/Photography, Digital Arts/Design, Drawing/Painting/Sculpting

What role do you believe Wyoming and/or local government should play in supporting arts, culture and the humanities to enhance economic and community development?

Supporting the arts means we support quality of life. Government should play a large role in providing a quality of life for our residents.

What role do you believe Wyoming and/or local government should play in supporting arts and culture to provide a comprehensive education for Wyoming K-12 students?

Some sort of arts course should be a part of the curriculum every step of the way. Participation in the arts opens your mind to more creativity which can help excel students in other areas as well.

What role do you believe Wyoming and/or local government should play in supporting arts and culture, diversifying the local economy, and enhancing quality of life?

I think the government should play an active role in facilitating these points. The only way our state can grow and improve is by supporting these points.

Rate your level of support for a local-option sales or property tax to support cultural activities and development.
