What arts and cultural activities have you and your family members attended, participated in, or supported in the past year?

Dance, Music, Film/Media, Literary Arts

Are there any specific arts and culture activities from your experience that you would like to highlight as noteworthy or exceptional?

I am always amazed and the talent and abilities that individuals in my community have and share. It does not matter what the cultural activity

Considering your own personal background and education, what arts or cultural classes, programs or activities did you participate in?

Film/Photography

What role do you believe Wyoming and/or local government should play in supporting arts, culture and the humanities to enhance economic and community development?

I believe that these cultural activities should be economically driven for the most part. I believe that schools play an important part but not at a level where large amounts of funding goes to it.

What role do you believe Wyoming and/or local government should play in supporting arts and culture to provide a comprehensive education for Wyoming K-12 students?

I am very supportive of the K-12 experience. It truly gives a student an educated experience.

What role do you believe Wyoming and/or local government should play in supporting arts and culture, diversifying the local economy, and enhancing quality of life?

I love when these are supported because of their quality. I believe that most people in my district enjoy and learn from these experiences. They also are better members of a community when they have a diverse background.

Rate your level of support for a local-option sales or property tax to support cultural activities and development.
