What arts and cultural activities have you and your family members attended, participated in, or supported in the past year?

Dance, Film/Media, Visual Arts

Are there any specific arts and culture activities from your experience that you would like to highlight as noteworthy or exceptional?

I've been a professional photographer for 48 years. I'm in the Professional Photographers Hall of Fame permanent collection. I have won the Wyoming Professional Photographer of the year 15 or more times.

Considering your own personal background and education, what arts or cultural classes, programs or activities did you participate in?

Film/Photography

What role do you believe Wyoming and/or local government should play in supporting arts, culture and the humanities to enhance economic and community development?

Many schools have auditoriums to allow the arts to be performed. The schools should open up those facilities for public use.

What role do you believe Wyoming and/or local government should play in supporting arts and culture to provide a comprehensive education for Wyoming K-12 students?

The state provides a huge amount of money to the schools. It's not the states place to tell them how to spend the money, but I believe the schools do a real bang-up job providing choir, band and many art classes for our children.

What role do you believe Wyoming and/or local government should play in supporting arts and culture, diversifying the local economy, and enhancing quality of life?

Statues of our past are a great way to preserve the history of our great state. In Gillette the county has provided a wonderful theater for the performing arts.
